

Virtual Meeting Resources

- **MeetingMaker:** Local startup MeetingMaker enables easy, efficient, remote one-on-one meetings between managers and employees. Given the COVID-19 crisis and the surge in remote work, MeetingMaker is free for as long as social distancing is recommended. [Host your first 1:1 meeting... for free!](#)
- **Cisco:** Cisco is offering free 90-day licenses for non-WebEx customers, and enhanced capabilities for existing (and new) WebEx users. Effective immediately, Cisco has expanded the capabilities on our free Webex offer in all countries where it is available, not only those impacted by COVID-19. [Access resource here.](#)
- **Microsoft Teams:** Free video conferencing and chat messaging across teams. There is a free download for both PC and mobile: [Download here.](#)
- **Google Hangouts:** Free video conferencing and chat messaging. All you need is a google account to use: [Get it here.](#)
- **Zoom:** Free video conferencing meeting. [Get it here.](#)
